Energy and Water Building Performance Ordinance

2019 Covered Buildings List for Properties over 50,000 square feet.

This covered buildings list contains the building addresses, corresponding tax assessor parcel numbers (APNs), and Building Reporting IDs for the 2019 Energy and Water Building Performance Ordinance (BPO) compliance cycle. You will need to search for your building’s address or APN in this document and then input your listed Building Reporting ID in ENERGY STAR Portfolio Manager to comply with the BPO.

To look up your building(s) press CTRL + F and enter your address(es) or APN(s) into the search box. We recommend searching by APN due to inconsistencies in address syntax (e.g. “Expressway” vs. “EXPWY”).

If your property has multiple buildings which are individually metered for either energy or water, please contact the City of San José’s Benchmarking Help Desk and we will assign separate IDs to each building. If you believe your building is covered by the BPO but you do not see your building listed here, or if you have other questions regarding the status of your building, please contact the Benchmarking Help Desk.

Benchmarking Help Desk

Operating Hours Monday – Friday except on observed City holidays; 8:00AM to 5:30PM

Contact phone: (408) 975-2540; email: benchmarking@sanjoseca.gov

To request an exemption from the BPO or a reporting extension, please refer to the [Extension/Exemption Request Form](#), which can be found at www.sanjoseca.gov/benchmarking along with other compliance-related resources.
